

Consignment Contract

Payout Commission is 60% Shoppe – 40% to Consignee of the basic consignment price for all items sold in the 50-day contract period. Shoppers pay an item fee on every item in the store, which is not split with the consignor.

Consignors will remain in the store while items are evaluated. Any items not selected for sale will be returned to the owner. If something is found to be defective after acceptance it will be subject to donation or disposal. Markdowns and sales are at the store's discretion.

Items that have not sold at 45 days will be discounted and become the property of the Shoppe. Lucy's may sell or dispose of unsold items after the 50-day contract period. Your items must remain in the store the full 43-45 days and must be picked up before the 45th day. Proceeds may be used as store credit or paid out at any time. Update any changes to address or phone number promptly.

The Shoppe assumes no responsibility for loss, theft, or damage. Lucy's Nearly New reserves the right to terminate a contract at any time. All money not picked up by the consignor within a year is forfeited and account will be closed.

This consignment contract overrides and supersedes all preexisting contracts with Lucy's Nearly New Shoppe. I agree to all terms and certify that I own the items brought in with all rights to sell such items.
